SUBJECT: JEFF WOLF STUDIOS

Ladies and Gentlemen,

The National Retriever Club, Inc. is a nationally known and renowned retriever club that was founded before World War II, is a member of the American Kennel Club and is the parent club for all AKC field trial and hunt test retriever clubs in the United States.

The National Retriever Club, Inc. holds a single National Retriever Championship stake annually. This event culminates with the crowning of a single dog to be known as National Field Champion – the most sought-after and revered title in the retriever game.

Jeff Wolf Studio's was chosen to produce sculptures for this club's event due to several factors; unique design, eye for detail, beauty, relevance to our sport, and overall quality of the finished product. Each person that has received a sculpture, including past National Retriever Executive Board members, past Board of Directors, lifetime award winners, judges, and previous National Championship Winners are proud to own and display their treasured Jeff Wolf Studio sculptures.

We at the National Board would highly recommend the use of this studio for your special events or for the use of these very special, life long memories that Jeff produces.

Sincerely,

J. Mitchell Patterson
Secretary/Treasurer, National Retriever Club, Inc. and
Past National Amateur Retriever Championship Judge
